

# *Bonus Coloring Sheet*

## **AN INTRODUCTION TO DOT COLORING**

Here's a unique way to relax your mind, focus and relieve stress. Fill in the dots with a black marker (or a color of your choice). The halftone pattern will reveal a photographic image.

**Tip:** You can get an interesting duotone effect by coloring in the background with a light color and coloring in the dots with a darker one.

**Was this fun to do?** Please check out our Dotted Coloring Book at [piggybackpress.com](http://piggybackpress.com)
